

SENATE BILL

No. 1348

Introduced by Senator Battin

February 17, 2006

An act to amend Sections ~~2157, 2159, 2159~~ and 2159.5 of, and to add Section 18108.1 to, the Elections Code, relating to voter registration.

LEGISLATIVE COUNSEL'S DIGEST

SB 1348, as amended, Battin. Voter registration: paid circulators.

~~(1) Existing law requires any person who registers to vote to complete an affidavit of registration on a form that contains specified information, including, among other things, specified information in the assistor portion of the registration form about the person who assists someone to register to vote. Existing law requires that the affidavit specify that certain information shall be of a certain type size and color of ink. Use of this information for purposes other than those permitted by law is a misdemeanor.~~

~~This bill would require that the affidavit of registration contain, in a specified type size and color of ink, a statement that it is a misdemeanor for a person who assists someone to register to vote to not complete the information, or to misrepresent their assistance, in the assistor portion of the registration form. By increasing the duties of county elections officials and because a violation of these provisions would be a misdemeanor, the bill would impose a state-mandated local program.~~

~~(2)~~

~~(1) Existing law requires any person who, in exchange for money or other valuable consideration, assists another to register to vote by~~

receiving the completed affidavit of registration from the elector, to sign his or her name and to provide other specified information, including the name and telephone number of the person, company or organization that agrees to pay money or other valuable consideration for the completed affidavit of registration.

This bill would, except as specified, make it a misdemeanor for any person, as specified above—~~who, to~~ knowingly—~~misrepresents~~ *misrepresent* himself or herself as having helped register another to vote on a registration form, and would—~~specify~~ *impose* a fine not exceeding \$10,000, imprisonment in the county jail not to exceed one year, or both, for a 3rd or subsequent conviction.

~~(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.~~

~~With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.~~

~~By creating a new crime, this bill would impose a state-mandated local program.~~

~~(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
